 - ❖ Shipbuilding RDI programmes

Revision of EIB Transport Lending Policy

Public consultation event: Waterborne

Four pillars underpin the vision for the new Transport Lending Policy

SAFE - A safe system that prevents unnecessary loss of life, and protects users from attack, discrimination or harassment.

ACCESSIBLE - An affordable and accessible network available to all who can benefit from the opportunities it provides.

GREEN - A clean and carbon-neutral system that does no significant harm to the environment.

EFFICIENT - A smart and efficient system that achieves its benefits by utilising technology to minimise the use of resources and prevent congestion.
